Press Release

September 1, 2021

In an effort to provide more information and transparency regarding active COVID-19 cases at school, the Central Union High School District will now maintain a COVID-19 Dashboard on its web page for the coming months. The COVID-19 Dashboard will track active cases of students and staff across all campuses and facilities. The COVID-19 Dashboard will calculate the percent of active cases against the total number of students and staff who are assigned to that location. The Dashboard will not include general illness, suspected cases, or quarantined individuals. The Dashboard will be updated daily, however, not on weekends, non-school days or holidays.

The COVID-19 Dashboard is located at www.cushd.net

Comunicado de Prensa

1 de septiembre del 2021

En un esfuerzo para proporcionar más información y transparencia sobre casos de COVID -19 en las escuelas, el Distrito de Escuelas Secundarias de Central Union mantendrá un Tablero de COVID-19 en nuestra página web durante los próximos meses. El Tablero de COVID-19 rastreará los casos activos de estudiantes y del personal en todas las escuelas e instalaciones. El Tablero de COVID-19 calculará el porcentaje de casos activos contra el número total de estudiantes y del personal que están asignados a esa ubicación. El Tablero no incluirá enfermedades generales, casos sospechosos o personas en cuarentena. El Panel se actualizará diariamente, sin embargo, no los fines de semana, días sin clases o días festivos.

El Tablero de COVID-19 se encuentra en nuestro domicilio de red que sigue: www.cushd.net
